### World Book Day

We had a great day thinking about , reading and listening to our favourite stories! The children (and teachers!) dressed up as their favourite book characters too. There are lots more photos on the school website. Have a look!

### Science Day!

Last week, as part of British Science Week, we had a Science Day in school. All of the children carried out fun scientific investigations including flying paper aeroplanes, things that float and sink, and life cycles of a chick, to name a few. It was an exciting day and the children thoroughly enjoyed being scientists for the day!

## Comic Relief

Red Nose Day was on Friday 15th March. The School Council did a great job selling red noses and we managed to raise **£380** for Comic Relief which was fantastic amount.

Well done!

## Enabling Enterprise

All of the children recently completed an **Enabling Enterprise Challenge Day.** This was a fantastic day where the children had opportunities to develop their skills for life such as leadership, problem solving and working as a team.

**What a great day!!**

## Easter egg decorating and Bonnet Making

Our annual egg decorating and Easter Bonnet Assembly will take place on **Thursday 11th April** at 9.30am. We hope you will take this opportunity to do something creative with your child at home and look forward to seeing all the wonderful eggs and Easter hats. Parents are welcome to attend the assembly!
