Headteacher: Mr Russ Orr

April 2019

Dear Parents/Carers

We want to say a huge thank you for all your continued support this year. We feel very privileged to have such supportive and committed parents.

We would also like to take this opportunity to reinforce the messages shared at the KS1 SATs meeting earlier this term because there might have been some miscommunication and misunderstanding.

We did not expect parents to purchase support materials and only made a suggestion for those parents who wanted to do some additional work with their child at home. There are specific times in our curriculum when we look at pre SATs questions to enable your child to feel confident in attempting the questions in May.

Equally we certainly did not expect our children to do lots of additional work after school as we are very passionate about sustaining our children's enthusiasm to learn.

Please may I reinforce that these tests are only a snap shot of your child's learning and it is your child's achievement over the year which provides the greatest evidence for our teacher assessment.

Please come and speak to either me or Miss Porter if you would like any further information.

Thank you again for all your continued support.

Yours sincerely

Mr R Orr and Mrs S Atkinson
