

Ancient and Modern Olympics

Modern Olympics

these kind of games are held in Great Britain the games are swimming, races, and gymnastics

In the modern day olympics, men and women can compete in the games and DO NOT get whipped. Also women do not get thrown off a mountain

Ancient Olympics

pankration was a mix of wrestling and boxing also very dangerous because there was lots of bloody bodies and injuries

During the ancient games (776BC) athletes competed naked, whereas in today's Olympics they MUST wear clothes. There was a game called pankration -The games were held in Olympia
