

Once upon a time.

That is how the story **starts**, no matter **how** it ends
...once upon a, ...once upon a time.

Once upon a time

Everytime a story **starts** but what comes **next** depends
...on what happens, ...once upon a time.

See the world from **our** prospective

As we solve a crime

Everyone an **ace** **detective**

.....once **upon** a, once **upon** a

(straight in!)

Once upon a time

That is how our story **starts**, it ends with **making** friends
....once upon a, once upon a, once upon a time.
