

School Council Minutes – April 2019

1. We have managed to collect 5 eco bottles so far, could all classes continue to work on filling these and bring them to the next meeting.
2. Student Council are going to be starting a school newspaper. Any stories, pictures or information you would like to be put in here needs to be sent to Jess. We will then piece the paper together and distribute it to classes at the next meeting.
3. Tyler and Cameron are going to sort through the spare uniform so that we know what we have and can send this information to parents.

Thank you,

School Council
