Attendance

Whole School = 96%

Well done to Falcon class who achieved a fantastic 100% attendance this week and will be rewarded with extra playtime during the first week of Term 5.

Forest School

We are pleased to announce that we will be visiting Cowleaze Copse woodland again for lessons during Terms 5 & 6. At least for the beginning of Term 5, children will need warm outdoor clothing for Forest School lessons – wellies, warm trousers and waterproof coats. If you happen to have any spare wellies or coats at home, please consider donating them to school for any children who may inadvertently forget theirs on the day. As the weather warms up (hopefully!) we can review the clothing requirement. Parent volunteers – if you are available to help accompany classes for the Forest School visits, please inform the School Office. We would appreciate any additional adult helpers.

Comic Relief

Thank you to everyone who bought a red nose or wore red to support Comic Relief last month.

We raised over £405 for the charity. Thank you.

Easter Celebrations

Thank you to all the parents and carers who joined us this week for our EYFS, KS1 and KS2 Easter celebrations. The children all performed beautifully and confidently.

Circus

Roll up, roll up! The circus is coming to town in September!

More details to follow and tickets will go on sale shortly.

Blue Bag 2 School

FoLPS are once again sending home blue collection bags today. If you're planning a clear out during the Easter break, please consider filling the bag and returning it to us after the holiday.

Bag 2 School is a company that specialises in good quality second hand clothing that can be re-used. They can collect the following items – adults' and children's clothing, paired shoes, hats, belts, handbags, soft toys, bedding, curtains & towels.

They cannot collect the following items – duvets, pillows or cushions.

Key Stage 2 SATs

The Year 6 SATs will be held from Monday 13th to Thursday 16th May. Please avoid taking your Year 6 child out of school for appointments or any other reason during this week. Thank you

'The Book People' Book Fair

Thank you to everyone who came along to the Book Fair in School recently. We sold books to the value of £363 which will generate commission for us to spend on books for school. Thank you!

LPS Construction Work

It is some while since any of us have seen the front of School as pictured above. We are delighted that the building work on our new EYFS unit at the front of the school is nearing completion. Rigg Construction plan to handover the building to us during the first week back after Easter and we will start to furnish the interior in preparation for our new EYFS intake in September.

Message from Mr Read

This has been a very successful term for Lyneham Primary School. Three weeks ago we were inspected by the local authority. Four professionals from Wiltshire council visited our school for two days to conduct an 'Ofsted' style inspection to assess the progress we have made over the past year. I am pleased to say they were impressed with what they saw and consider this to be a 'good' school.

I will write to you in greater depth on this matter next term and share the report, but in the meantime I wanted to let you know what a wonderful impression the children left on the visitors. All through the course of the inspection, the team complemented the excellent behaviour and friendly demeanour that the children demonstrated. This obviously came as no surprise to me, as I have the pleasure of talking with the children on a daily basis, but it's always nice to be complimented on the behaviour of your children and I thought you might like to know that.

Also, the team were very impressed with the quality of the children's books. I say this every week in my assembly, but it's honestly true, I really think that the work that the children do gets better every week. But this does not happen by magic. This is down to the hard work put in by all of the staff and governors, by the perseverance and resilience shown by the children on a daily basis and through the support that you show to the school. We have further exciting plans to ensure this school goes from strength to strength and I would like to say thank you for continuing to support us and trusting us with your children's education.

Have a fantastic Easter break. I look forward to seeing you all again in Term Five.
