Dear Parent/Carer,

Cameras/Photographs at School Performances

As you are aware the rules around data protection changed last year and, as a result, we have reviewed the procedures with regard to photographs and videos in school.

To ensure we comply and, more importantly, fulfil our safeguarding duties we have decided to ask that you do not take photographs or videos during your child's performance or sing-along.

I would ask that parents/carers take photographs of their child in their Easter Bonnets at home. Pupils in year 1 will have an individual photograph of them in their costume taken in school. This photograph will be sent out for parent/carers to keep.

This decision has not been taken lightly as we are aware that, as proud parents, you like to take photographs of your child, but hopefully you will appreciate and support the need for this decision.

If you have any concerns regarding photographs and videos during performances please do not hesitate to contact me.

I would like to take this opportunity to thank you for your ongoing support and hope you enjoy your child's Easter performance.

Yours sincerely,

HN Faulkner
