Please keep our children safe. We are fortunate to have a school crossing patrol at our school, Ciara helps children cross the road at the pedestrian gate in front of school. She is not able to also help children cross at the vehicle gate.

Please ensure you park safely, so you are not obstructing visibility, and bring your children to the school crossing patrol, at the pedestrian gate. Crossing at the other gate is too close to junctions to be a safe place to cross.

Notice: Ciara may not be at work on Monday morning (8th April)

I received information about a Parents’ Parliament...

Parents – your chance to have a say in education!

Following the success of our first three Northern Ireland Parents’ Parliament in Bangor, Magherafelt and Newry, we are excited to announce the dates for our next two events. We have parliaments planned in Omagh and Belfast, with a final Parliament to be held in the Parliament Buildings at Stormont, Belfast in late 2019. This final event will be a culmination of all the regional Parents’ Parliaments with a representative group of parents from across NI presenting feedback and/or proposed actions needing to be addressed in education.

You can read more about our first event [here](#).

The Parents’ Parliament is a great opportunity for all parents to share your views, ideas and experiences of your child’s education with key education policymakers in a relaxed and friendly way.
