Our Lent Fundraising has been in full swing this week with the children organising and running lots of events and activities around the school. The whole school enjoyed watching a film together, Year 4 ran a very enjoyable Board Games afternoon, the School

Council organised a fun Easter Bonnet Parade – enjoyed by everyone. And the best thing? The children did it all. All money raised will be sent to the DEC/Cafod appeal

to help those affected by Cyclone Idai in Africa. The pictures show Year 4 enjoying their Board Game afternoon and below, the School Council judging the Easter Bonnet Parade.

PSA News:

Thank you for your generosity and donations to the Easter Egg Eggstravaganza. The children loved the prizes and the event was full of excitement. Don't forget the **PSA website:** anyone who wants to keep up with PSA news and events but does not want to join the Facebook group, <http://www.stlouispsa.wordpress.com>. Please do have a look and follow to get updates by email.

Next meeting: Tuesday 30 April at 8pm in the Three Swans. All welcome.

School Council Judging Bonnet Entries. Our winners.

PSHE Consultation. You may have heard or read about the requirement for all schools to update/review their PSHE curriculum. This includes new requirements for the teaching of Sex Education. We have adopted a programme called Jigsaw this year on which to base our PSHE teaching. On the Thursday afternoon, 25th April, during our first week back after Easter, I am presenting the new materials at 2.30pm in the school hall. The presentation will last about 20 minutes with 10 minutes for discussion afterwards. Tea and coffee will be available. Please do come along for this important session.

Parents Evenings Thank you to all of you who attended the Parents Evenings earlier this week. You should have received the agreed target sheets discussed at the meetings tonight. If you were unable to make it, please do get in touch to make an appointment to see you child's teacher.

The Spellathon totals are in. The children raised a fantastic £410. Well done to you all for your hard work and dedication in getting all of those spellings correct and thank you for your generosity. The money will go towards the purchase of some brand new books for the children to use and enjoy.

Great Attendance I have to report that in Year 2 last week, all of the children were in school for all of the time. What a healthy lot you are Year 2! We will have to think of some reward – you deserve it.

Allotment. We have a fabulous allotment at the bottom of Welshmill Hill opposite Gracewell Homes. Mrs Jefferies is gearing up for the planting season and will visit the allotment with small groups of children. She has asked if there is anyone who would be able to help? We can be quite flexible with times – so if you like gardening and like the idea of inspiring children to grow plants and vegetables then please pop into the office and let us know.

A quick notice that Sue, the School Crossing Patrol will not be available after school on Tuesday 23rd April. Sue has also asked that all drivers obey the rules of the road outside the school. She has been shocked at the way some people seem happy to put others at risk because they don't want to get slightly wet in the rain. We will be inviting traffic enforcement officers to attend.

We like Dogs at St Louis but they should not be left tied to the lamp post outside of our lower pedestrian gate. I would also ask that the law states that you should clear up after your dog – sadly this has been ignored recently which is very unfair on residents and our small children.

Finally – have a holy and peaceful Easter break and we look forward to seeing you back at school on the Tuesday 23rd April.
