Dear Parents/Carers,

### RE: School Mobile Application

In order to further improve communications with our school community, we have launched a new 'mobile app' linked to our website. The app is called 'School Jotter' and is available to both Android and Apple phones/tablet users. Please be assured that the app is very simple to use.

The app is free for you to download and will allow access to:

- Push notifications/messages e.g. mufti day reminders
- Latest news and letters
- Important dates (meetings, events, term dates etc)
- Useful links e.g Scopay, Parent/Carer Consultations, Cool Milk
- Maps
- Contacts

**Please be aware that the app will also be used by the school as an alternative to sending out costly text messages.** It is therefore important for parents/carers to download this app to ensure future school messages are received.

Please refer to the leaflet on our website for information on how you can download the app.

Thank you for your continued support,

Yours sincerely,

GR Murrell,

(Executive Headteacher)
