Dear Parents and Carers

Once again, pupils in Y3-Y6 will be completing the online Pupil Attitude Questionnaire (PAQ) in school during the summer term.

The PAQ is produced by the Lancashire Assessment/Professional Support Teams and can be used with all primary and secondary aged pupils. Schools can choose any Years from 3 to 6 to participate in the PAQ in primary schools. The analyses enable schools to examine the views of their pupils in respect of such things as their engagement with school, homework, safety and welfare issues, in comparison with averages for their own LA, and a project average based on over 300 schools.

In order to comply with General Data Protection Regulations (GDPR), parents must give their consent for their child to complete this activity. All results are anonymised and are confidential.

Please inform school in writing (via email, letter or MyEd) by Wednesday 24<sup>th</sup> April 2019 if you do NOT wish your child to participate.

Many thanks for your support

Claire Gilmour
