

People at home: Our home learning is made up of key skills and project based tasks. The key skills share our expectations of what you should be doing at home to develop the basic skills. The home learning projects present a range of learning tasks that are linked to your child's current curriculum topic. As well as focusing on daily/weekly key skills you should carry out at least one bronze, one silver and one gold task within a half term period. Please help your child to try activities from a variety of learning styles. Please circle and date the task once it has been completed. Every child will be expected to hand in a project task on the dates set below. A new grid will be sent home at the end of each term.

Key Skills
DAILY READING
 You should be reading for at least 15 minutes everyday. This can be your school reading book, library book, or a different reading material at home. Please remember to sign your child's reading diary.

Key Skills
SPELLING
 Spelling rules are taught in the classroom and spellings come home that are tested weekly through dictations.

Key Skills
SPAG / PHONICS
 SPAG activities should be practised regularly at home through using Lexia.

Key Skills
TIMESTABLES
 Timetables should be practised regularly at home. Your child should progress through the Bronze buddies, Silver squad, Gold gang and Platinum posse system as quickly as possible. You should know your 2, 5 and 10 times tables by the end of year

Key Skills
MATHLETICS
 Your teacher will set you a weekly online mathletics task to complete. This will link to your current week's maths learning.

Learning Styles	Bronze		Silver		Gold	
ENGLISH	Draw a picture of your favourite animal and label it. Could you use noun phrases?	Create a poster to help save endangered animals.	Write a report on your favourite zoo animal	Write a descriptive paragraph about your favourite character. Think about what they look like and what they do.	Imagine taking your favourite toy on an adventure and write about what you would do.	Write a set of instructions on how to care for a pet.
MATHEMATICAL	Go for a walk—What 3D shapes can you spot?	Identify patterns on a variety of animals.	Create a tally chart of your family and friend's favourite animal.	Draw some 2D shapes with a line of symmetry.	Keep a diary of what you do at each hour over a day.	Create some word problems about zoo animals.
VISUAL/SPATIAL	Draw a picture of an animal with different textures and shading.	Use play dough or clay to make an animal of your choice.	Design and make a tasty smoothie.	Collect some natural items to create a collage of an animal of your choice.	Design and build a habitat for an animal of your choice.	Create a house for a Kenyan family.
HANDS ON ACTIVITIES/SPORTS	How far can you jump using two feet? Practice jumping forwards using two feet	How high can you jump? Practice jumping as high as you can against a wall	Measure out 25 big steps. How fast can you complete the race?	Run on the spot for 1 minute (Don't forget to use your arms).	Practice your chest push throw. How many steps can you throw?	Practice your target throwing. How many items can you throw into your target?
MUSICAL	Listen to a piece of music from another country.	Represent a piece of music of your choice with a picture.	Sing and perform a national anthem	Make a junk model instrument. Can you identify what country it is from?	Write a rap about a holiday.	Research musical instruments from around the world.
WORKING WITH OTHERS	Design a flag for your own country.	Draw a picture of yourself and another person and write your similarities and differences.	Research information about Ramadan and present your findings.	Make a meal from another country e.g. pizza from Italy / noodles from china etc.	Write interview questions for a religious leader.	Create a memory box of a memorable event (e.g. holiday or birthday)
WORKING BY MY-SELF	Think of 10 things that make you laugh and record them.	Create a list of goals for what you want to achieve this term.	Draw a detailed picture of a piece of fruit.	Make an online safety poster.	Find out about a country and present a 3 minute talk on your findings.	Create an acrostic poem for an animal or country of your choice.

Due Dates: Tuesday 23rd April, Tuesday 7th May, Monday 20th May, Monday 10th June, Monday 24th June, Monday 8th July
