8th April 2019

Dear Parents and Carers,

Following our fantastic trip to the Secret Garden at St Leonard's Church, Chrissie has been in touch with photos of our growing sunflowers. Chrissie is very keen to get the community involved in the garden and this would be a lovely opportunity for the children to be involved in gardening outside of school. She has asked if on **Wednesday 1st May after school**, some of the children would like to come back to plant the sunflowers, which are currently in individual pots in the greenhouse, into the wooden trug?

If you would like to be involved in the replanting of the sunflowers then please get in touch with Chrissie chrisinhove@hotmail.com Chrissie would also like to take photos of the replanting for their Year Book and Facebook so would need your permission to do this on the day. They need to raise their profile to show how the garden is used by a wide selection of the community for judging in the Britain in Bloom Community award.

We really hope that you and your children will get involved in all that the Secret Garden has to offer and would love to see photos or hear from you if you have.

Have fun,

Mrs Mannion and Miss Otter
