(Blue and Yellow Class)

8.4.2019

Dear Parents and Carers,

Two terms of our school year have passed and would you believe, we are heading into the summer term! This term we will be exploring the theme 'Holidays'. We will be sending out our usual curriculum letter and topic web when we come back after the Easter break, but for now we have a simple task for you to do over the holidays with your children.

We will be beginning our learning by finding out about each other's best holiday - where we have been and why it was our favourite! Please could you help us by talking through and writing down some information about your child's chosen holiday. It could be a recent holiday or a day trip, which ever was the favourite! All of your help and contributions are really appreciated and we look forward to another fun and exciting term.

Please include:

- The name of the place or the country
- The type of building you stayed in
- What the weather was like when you were there
- Something you saw that you wouldn't see in your own town or country e.g. a mountain, a desert, a farm, an animal etc.
- How you travelled to this place
- An activity that you did there

Can you also help your child to choose a book that is special to them (or a favourite book) to share with the class?

Please send the holiday/trip information along with the book in with your child on Monday 29th April 2019.

Many Thanks

Mrs Mannion and Miss Otter
