## YEAR 6 SUMMER TERM 2019

Dear Year 6 Parents and Carers,

As you will all know, Mrs Humphrey is going on maternity leave at the end of this term and so I am writing to let you know about the arrangements to cover her post.

Mrs Humphrey has done an excellent job in preparing the children for their SATS next term and Mr Haywood will be picking up the reins as the main class teacher for the summer term.

Mr Haywood has been teaching Year 6 as their PPA teacher and taking booster sessions in preparation for SATS during the year, so his knowledge of the children will support them well through this busy summer term. He will be working with Mr Logue, who has a trainee teacher in his classroom this term. Mr Haywood will be parents' main point of contact. Our focus will be on making sure the children are well prepared for their SATS in May, with Mrs Palmer (who is our Key Stage 2 and Literacy Leader and also has student teacher support in her classroom) leading on supporting English and Mr Haywood focusing on Maths. Mr Logue will be leading on the transition arrangements for secondary school and the production of the Year 6 performance. We intend to appoint a new Year 6 teacher from September.

Mr Logue has a very good trainee teacher in his class, who is known to the children and is expected to teach for 75% of the school week in her final placement, which has enabled us to make use of Mr Logue's skills.

If you have any queries please do get in touch – we all want what is best for the children and are committed to ensuring we make the very best provision for their learning and well-being.

Yours sincerely

**Michele Lawrie**  
Headteacher
