Mascot Competition

All the entries were amazing; it was extremely tricky deciding a winner. In the end we decided to choose two winners and combine them into one '*Brilliant Brunswickian Sports Mascot*'

Congratulations to Micah and Maisey for your winning entries – we look forward to presenting our new mascot at sports day!

Quote of the Issue

"We are very proud of our sporting achievements at Brunswick Primary."

*Rita and Julia
(Year 6)*

Netball: Coach vs Captain

How did you get into netball?

Waka - My sister played and she persuaded me to giving it a go. I really enjoyed it so I told my friend who told her friend until we had Brunswick's netball team.

Miss Sumner - when I was at school I played for the school netball team at the age of nine. When I was fourteen I joined the adult team and kept playing because I enjoyed it so much.

What is the best thing about netball?

Waka - Netball is really fun and builds a lot of teamwork and trust.

How does netball effect your everyday life?

Miss Sumner – netball mostly affects my life in a good way the only time netball has a bad effect on me is when a big match is coming up, which makes me super nervous.

What's your favourite position and why?

Waka - Wing attack and centre, I love to get into action and am really enjoying catching and throwing balls.

Miss Sumner – my favourite position in netball has to be goal attack and goal shooter. These are my favourite positions because I love to score goals.

Do you think netball will be in the history of Brunswick Primary school?

Waka - Yes and I also hope that netball will be the legacy I leave behind.

Match Report – Football

An unlucky run of fortune,

has seen a dip in recent results: we have been knocked out of three cups and lost a league match. All our cup games were very unfortunate, narrow losses. In all, our team fought hard and, as always, are an example of our school values. We were a very organised team and tried our hardest, We are incredibly proud of our school football team.

By Stanley

All is not lost, we can still finish in the top three of the league; we are doing incredibly well even though we lost some games.

We can prove to the other teams that we can still do great and finish in the top spots. Hopefully, our team will be able to win some more games. No matter where they come, we are still incredibly proud of them.

Activity Leaders

We interviewed Miss Michnowicz about the new Sports Leaders. Here's what she said:

Why do you like sport?

Because of how important teamwork is and you have no stress when you're doing sport.

Who is leading lunchtime leaders?

Albion in the Community.

What do the activity leaders do?

They are teaching year 6 children how to run small PE-based activities for younger children at lunch times.

What does sport mean to you?

Sport means so much for so many people as it is a joy to play your favourite sports with friends while keeping fit and having fun. I am no exception to that.

Out of School Achievements – Year 3 and 4

Here at Brunswick we have a range of different individuals with various sporting abilities. We have been reporting on children's achievements outside of school.

Angelina

Angelina recently entered a singing competition with one of her friends. She told us that they not only placed 1st but they also won a trophy. Well done guys!

April

April and her acting group – *The Stage Girls* – entered an important acting competition. Her group won! April also told us that she managed to win a gold medal for her acting ability. Congratulations.

Lemmy

The other day, Lemmy and his football team went to an exciting football tournament – they won! Not only this but Lemmy also won Player of the Week. Well done Lemmy!

Olive

During the summer Olive played for a cricket team called *The Preston Nomads*. She played really well and won a trophy for her team!

Rox

A few weeks ago, Lola and her dance team Rox entered a Jazz competition. Apparently, there were lots of people and they all felt rather nervous. However, she said that once they got on to the dancing stage all their worries disappeared. They came 3rd overall.

Sam

To kick start his week, Sam, daringly, attempted to pass his level 3 swimming exam! Because our Brunswickian Year 4s are so talented, he passed.

Guess The Teachers From These Baby/Toddler Pictures

This little rocker loves science and is very in tune with the netball rules!

This person is still living their legacy by cycling to work!

This teacher hasn't changed at all – well except for the bunches!

A huge congratulations to the cricket team for winning the cluster indoor cricket tournament and getting to the city finals.

At the city finals indoor cricket Brunswick nearly won: we were one run shy of a victory in the first match then narrowly lost to the eventual winners in the last over.

We finished 3rd overall.

Well done to:
John, Eli, Will,
Theo, Alfie, Calvin
and Tommy
