

# Newfold App

**OurSchoolApp** is a personalised app for our school and will allow us to keep you all updated with **school information**, **news**, **calendar events** and **contact information**. We hope this application will ensure our communication with you is easier, quicker and more efficient.

If you have a smartphone (Android or iPhone), you can download OurSchoolsApp from **Google Play Android** or the **Apple Store** for free. Access is also available on a tablet and iPad by following the same download process.

When we update OurSchoolApp with new information or news about the school, a push message notification will automatically be sent to your device to inform you of this update. You can then view the notification which will take you directly to our app.
