

Year 5, Spring Term Homework activities. Visit www.hateleyheath.com for more help!
READING, SPELLING AND MATHS are expected weekly homework.

Reading

Suggested timing – 5-10 minutes daily.

Please share your child's reading book with them.
Use a page in your child's homework log to record any comments when you have done this.

These books are at your child's level. They must understand what they are reading as well being able to fluently read the book so ask them questions about what they have read too!

Your child might want to write a review of the book they have read in their homework log.

Spellings

Suggested timing – 5-10 minutes daily.

Practise spelling the words on the list that have been sent out with your child every Friday.

You child should look them up in a dictionary so they know what they mean and then write them in a sentence.

They can read, cover and write them or speed-write them too.

A copy of the Year 5/6 spelling list will be available to access on Class Dojo. You may want to choose additional spelling words from this list.
