

Reading

Suggested timing – 5-10 minutes daily.

Please share your child's reading book with them.
Use a page in your child's homework log to record any comments when you have done this.

These books are at your child's level. They must understand what they are reading as well being able to fluently read the book so ask them questions about what they have read too!

Your child might want to write a review of the book they have read in their homework log.

Spellings

Suggested timing – 5-10 minutes daily.

Practise spelling the words on the list that have been sent out with your child every Friday.

You child should look them up in a dictionary so they know what they mean and then write them in a sentence.

They can read, cover and write them or speed-write them too.

Green child can practice their handwriting using letter-join using the login details below: www.letterjoin.co.uk

Maths

Suggested timing – 5-10 minutes daily.

Use the times table grids or any of the suggested times tables activities to practise the times tables facts below.

Year 3

Recall and use multiplication and division facts for the 3, 4 and 8 multiplication tables.

<https://www.rmeasimaths.com/Easimaths/Account/Login>

Become an archaeologist!

Go outside and see what artifacts you can find hidden in the earth.

Book Worms!

Write a book review about a recently enjoyed book. Can you convince others to read it? Why not ask your teacher to display your review in your class reading area?

Get Creative

Show us your sketching skills. Can you draw a picture of yourself in the Stone Age? What would you wear?

Use Stone Age materials

Can you create a useful object out of stone that Stone Age people would have used?

Design a Stone Age meal!

Write a recipe for a Stone Age dinner using the sort of ingredients that would have been available to them.

Become a quiz master!

Write a quiz with facts about the Stone Age. Make sure you know the answers! Maybe you could test your family members!

Create a masterpiece!

Create a series of cave paintings to show activities you have done, for example going on holiday, bowling, going to the park or swimming.

Use this grid to support your child by enhancing the curriculum with these extra activities too! These are a choice so you can choose which you wish to complete (And any other ideas that you also have!)

The best ideas that you come up with will be added to Class Dojo for others to try and you'll earn some dojo points for your idea, so give it a try.
