

Reading

Suggested timing – 5-10 minutes daily.

Please share your child's reading book with them.
Use a page in your child's homework log to record any comments when you have done this.

These books are at your child's level. They must understand what they are reading as well being able to fluently read the book so ask them questions about what they have read too!

Your child might want to write a review of the book they have read in their homework log.

Spellings

Suggested timing – 5-10 minutes daily.

Practise spelling the words on the list that have been sent out with your child every Friday.

Your child could look them up in a dictionary so they know what they mean and then write them in a sentence.

They can read, cover and write them or speed-write them too.

Maths

Suggested timing – 5-10 minutes daily.

Use the times table grids or any of the suggested times tables activities to practise the times tables facts below.

2, 5 and 10. Recall and use all doubles to 10 and corresponding halves.
