

NEWSLETTER 12th April 2019

Remember to follow new drop-off and pick-up procedures from Monday and keep an eye on the school website www.holyev.co.uk and [facebook page](#) for the updates and photos as the programme to build our new school progresses.

A huge well done to our **girls' Gaelic team** who were runner up in the Belfast Championship. We are so proud of how far they came this year and for all their passion and determination! We also would like to praise our Cross Country runners who all came in the top 40 at the recent event. Alicia Marron showed immense talent as she came in the top 10!!!! So well done and keep up the sport over the summer term.

Easter Bonnet Parade: children can wear their Easter hats/bonnets on Wednesday 17th April. Each year we see so many amazing creations, so we can't wait to see what our talented families come up with this year!

Our **P3 Children made their First Penance** on Tuesday, they behaved impeccably and their teachers and assistants were so proud of every child.

Our **nursery team** have been harassing the poor builders over beside the nursery! Mrs McLaughlin may have found her new vocation as Foreman (or Fore-person) as she managed to blag a tonne of top soil. The outdoor classroom is really taking shape and P1 popped in this week for a wee play date after their sponsored walk.

Trocaire total for this week is an **outstanding £2050**, thanks for every penny and the final day for donations is Tuesday 16th April.
