## The Den Newsletter 12/04/2019

What a fun week at The Den!

This week The Den have made the most of the sunshine - building dens, teaching Miss Walker how to score goals and trying out our new tennis rackets.

Our Summer special events have been so popular we are trying to arrange some more. Watch this space.....!

We have also enjoyed being creative: painting, sketching and sewing.

As always, it has been a week of a lot of laughter and fun.

We hope you all have a fantastic, well-earned Easter break. We can't wait to hear about all the things you get up to!
