Headteacher: Mr P Scragg
Assistant Head: Mrs F Hurcum
Assistant Head: Mrs D Lister

Spring 2 Week 5 Newsletter

Round up of the week

- It's been a lovely week at school with the children really working hard and producing some wonderful work.
- It's been great to have some sunshine and be able to use the garden at playtimes and lunchtimes.
- We did have an unfortunate incident midweek which could have put the safety of the school in danger. It resulted in two pupils being excluded until Monday with further sanctions to come.

Coming up next week

- On Wednesday morning Year 5 and 6 will be visiting St John the Baptist Church, Staveley as part of our aim to visit places of worship for different religions.
- On Wednesday afternoon Year 1 and 2 will be visiting St John the Baptist Church, Staveley
- On Wednesday afternoon staff from Springwell Community College will be working with year 5 pupils on mathematics.
- On Thursday morning 4 pupils will be going to St Joseph's primary school to work with other pupils using their ICT equipment for a coding workshop. This is part of our closer links and enrichment activities with our local cluster schools.
- On Thursday morning Year 3 and 4 will be visiting St John the Baptist Church, Staveley
- Bank will be open for Year 2 to Year 6 children on Thursday morning from 8.30am
- Year 5 swimming has finished for this term and starts again on Thursday 2nd May.
- Boogie Bounce will take place in the hall after school.

Reminders

- I have spoken to the children at lunchtime yesterday and in assembly today about behaviour on the garden. Many of them are play fighting and tripping each other up. This often gets out of hand and people get hurt or upset and others are coming home with their clothes covered in mud and damaged. If children continue to play in this manner they will be given a yellow bib and sent off the garden. They still have their playtime, but on the playground instead of the garden.
- If you are taking your child out of school for a medical appointment please bring evidence of that appointment to avoid an unauthorised absence mark. If enough unauthorised absences are built up we are duty bound to refer the absence to the Local Authority who may issue a penalty notice.
- It was a beautiful sunny day on Friday which coincided with a spike in "medical appointments." I'm guessing the doctors and dentist in Skegness were busy over the weekend. I know the temptation to leave early and beat the traffic is strong but please could you wait until the end of the school day before collecting your children or I will be forced to do a rain dance!!!

Thank you
