Our Learning this week

What a fantastic week in Willow Class! In phonics we have been recapping the 'ai' sounds, reading it in words, spotting it in books, writing words with this sound, such as rain, train, grain, plain etc. In maths we have been doubling, halving and sharing, using food to help us learn this. The children used great mathematical language when doing this. We also went on our first school trip to Monk Park Farm. This was a brilliant day, the children listened to adults so carefully, were kind and polite to their friends but also members of the public (as it was very busy!) We played in the hay-bale barn, fed animals, went on a walk around the park and played in the adventure playground. The children even managed to get Miss Padgett and Miss White down the tunnel slide (after they were pushed...). We hope you all have a brilliant Easter break, rest, have lots of fun and stay safe.

My Home Challenge:

Please read lots over the holidays, you could practise the schools books, use the flashcards and play the reading games on bugclub! Also, spot the tricky words in stories you read to children.

Reminders

- We are looking for parent volunteers to listen to children read in school. Please speak to Miss Padgett if you are interested. 😊
- Keep practising the phonics flashcards - time yourselves and see if you can beat your score!
- We are doing gymnastics in PE after half term. Please ensure children have their kits in school for the first week back.
