Actions to take to Class Council:

'Catholic Life', What we do well, What could we do better?

What we do well:-

Friendship

Looking after one another, helping others in and out of school. Being a good role model for other challenging children. Show everybody kindness & support.

Mass

Attending Mass in school, having a Mini Vinnies Group that help parishioners in the Community. Helping mix school and community life in a way to move forward.

Good Work Ethic

All children try their hardest to achieve their L.O. They help others that may need help and guidance. See how hard teachers work and want to show them that their work and effort is appreciated.

What could we do better?

- Improve behaviour listening skills, to help with understanding work better, to achieve better results and grades for all.
- Encourage more children to attend Mass on Saturday or Sundays, to become more involved in the Parish and their Community.
- (Maybe with poster, signs, leaflets, text messages FB page etc).
