February News 2019

Jesus said to his disciples, "I say this to you who are listening: You're your enemies and pray for those who are unkind to you and say bad things about you. If someone takes your coat, do not withhold your shirt from them. Give to everyone who asks and don't ask people to return what they have taken from you. Treat others as you would like them to treat you. If you only love those who love you, why should you be rewarded? Even sinners love those who love them. And if you only do good to those who are good to you, why should you be rewarded? For even those who do not know God do that much. And if you lend to those from whom you expect repayment, why should you be rewarded? Even those who do not know God lend to each other, to get back the same amount instead, love your enemies and do good, and lend without expecting to get anything back. Then your reward will be great, and you will be children of God. For God is kind to the ungrateful and the cruel.
