ALL PARENTS - REMINDER

Please ensure we are informed immediately about changes to any medications, including inhalers, that your child needs to keep them safe and well whilst they are in school. Thank you.

ALL PARENTS - NEW HANDWRITING SCHEME

From next term Years 3, 4 and 5 will be taught a new handwriting scheme which has proved exceptionally successful in other schools in improving the presentation of work. We would appreciate your support in its implementation. From 22nd April children will be writing in pens and pencils provided by the school. These will be replaced by the school when they run out. If they are lost or damaged new ones will need to be purchased for £1 from the school office.

Pencil cases will need to be kept in trays as the desks need to be clear to encourage a good writing position, and children will only be writing in the pens or pencils provided by the school.

Children will be taught how to hold their pens/pencils correctly and how to sit with the correct posture for writing.

We hope that you can help support us in this new initiative .

Message from the PTA

Company matched giving is very simple. Companies or businesses pledge to donate to a charity (such as ourselves) an amount of money relating to the has been fundraised. We have been helped enormously in the past by this type of donation, and there are several benefits to both ourselves and the company involved:

- the company benefits from having charitable donations written off against taxable profits
- the company can endeavour to get publicity for their giving
- our PTA benefits from receiving perhaps double what we have raised at an event

If you think that your employer has a matched giving scheme already in operation and you would be willing to support our PTA please speak to one of the PTA committee members, or ask in the school office.
