

## **Henry Lane - Parent Governor**

I am a former secondary school teacher, now Head of Culture at local estate agency group Thorgills. I have experience in marketing to local people and community groups, internal communications, recruitment, HR, team engagement, training and data protection.

As parent governor I intend to play an active role in the life of a good and improving local school, and to provide support to the Marlborough staff to further enhance the life chances of our children.

I live a couple of minutes' walk from the school with my wife, an assistant headteacher at a local secondary school, and our two children, one of whom is in the Nursery class at Marlborough, the other will start next year.
