

Summer 1

Topic- Life Cycles

Phonics - phase 3 and 4

We aim to read with your child every week. Books will be changed Mondays and Fridays if the book has been read at home.

PE will be every **Tuesday** and **Friday** morning this term.

	Maths Mastery Children count reliably with numbers from one to 20, place them in order and say which number is one more or one less than a given number. Using quantities and objects, they add and subtract two single-digit numbers and count on or back to find the answer. They solve problems, including doubling, halving and sharing. (Maths / Numbers ELG) They explore characteristics of everyday objects and shapes and use mathematical language to describe them. (ELG SSM)	Literacy Children use their phonic knowledge to write words in ways which match their spoken sounds. They also write some irregular common words. They write simple sentences which can be read by themselves and others. Some words are spelt correctly and others are phonetically plausible. (LIT / ELG)	RE New Life (UW/ Exceeding ELG) Understand that different people have different beliefs, attitudes, customs and traditions and why it is important to treat them with respect.	Topic Life Cycles Children make observations of animals and plants and explain why some things occur, and talk about changes. ELG UW
29th April -3rd May	Unit 13 Doubling and halving <ul style="list-style-type: none">◆ To explore the concept of doubles◆ To explore the concept of half◆ To explore the relationship between double and half.	The very hungry caterpillar: <ul style="list-style-type: none">❖ Children are to think about what happens in the story and begin to acknowledge the lifecycle of a butterfly.❖ Children are to create a fact file on either a caterpillar or butterfly.❖ Recap the days of the week by following the caterpillar and what he eats on each day.	R5:1 New Life Begin to understand that we celebrate Easter because Jesus rose from the dead. Be aware that at Easter we celebrate Jesus is with us.	Life cycle of a butterfly. Children to observe the caterpillars changing into butterflies. Healthy eating and making fruit salads.

	Maths Mastery	Literacy	RE Sorrow and Joy	Topic
7 th -10 th May (Bank holiday Monday)	Unit 14 shape and pattern <ul style="list-style-type: none"> ◆ To be able to sort 2D shapes on the basis of one and two criteria. ◆ To be able to sort 3D shapes on the basis of one and two criteria. ◆ To recognise, complete and create patterns using 2D and 3D shapes. 	<p>'Tadpole's Promise by Jeanne Willis Children write an alternative ending to the story.</p> <p>Reading non fiction books about life cycles.</p>	<p>R5:2 Jesus is Alive Begin to understand that Jesus gives a special gift of joy and peace.</p> <p>Think of how we can give this peace and joy to others.</p>	<p>Life Cycle of a frog. Trip to the pond to see if there are any tadpoles or frogs.</p> <p>Tadpoles in class?</p>
13 th -17 th May	Unit 15 Addition and Subtraction <ul style="list-style-type: none"> ◆ To add combining two groups ◆ To see subtraction as partitioning into two sets and taking away. ◆ To solve problems including doubling and halving. 	<p>Jack and the beanstalk, retelling and writing parts of the story.</p> <p>Starting a bean diary. To complete as the bean grows.</p>	<p>R5:3 Jesus goes back to heaven Know the story of Jesus going back to heaven. Be aware that Jesus is still with us.</p>	<p>Life cycles of a sunflower and bean plant. Planting beans and sunflowers.</p>

	Maths Mastery	Literacy	RE Sorrow and Joy	Topic
<p>20th-23rd May</p> <p>Friday 24th Inset Day</p>	<p>Unit 15 Addition and Subtraction</p> <ul style="list-style-type: none"> ◆ To add combining two groups ◆ To see subtraction as partitioning into two sets and taking away. ◆ To solve problems including doubling and halving. 	<p>The Little Red Hen</p> <ul style="list-style-type: none"> ❖ Children to make a lifecycle of a chicken using different materials and label it. ❖ Instructions on how to hatch a chick. First you, then you, finally... Etc. 	<p>R5:4 Mary our Mother Know that Mary is the Mother of Jesus and our Mother. Think of ways to show our love for Mary.</p>	<p>Life Cycle of a chicken. Getting ready for the eggs to arrive after half term!</p>
