

Learning Together

Growing Together

Beech Class

Creative Curriculum

Information and Ideas for Parents and Carers

This term our theme is:

Amazing Animals

We will be learning about...

- Animals from all over the world
- maps: where in the world different animals come from and how they adapt to their environment.
- drawing from our observations to support all areas of the curriculum.
- Drawing, painting and sculpting animals

Talk about....

- Your pets and why you like them.
- Animals you have seen in zoos, safari parks and while you have been on holiday.
- How animals adapt and change to suit their environment.

Things to do...

Log in to Purple mash at home and try some of the programming activities.

Use the internet to research unusual and amazing animals.

<https://www.purplemash.com>

Visit the library and see what you can find out about animals from different parts of the world.

Can you do observational drawings of family pets?
