Year 3/4	96.1%	3 <sup>rd</sup>
<b>Year 5/6</b>	<b>97.3%</b>	<b>1<sup>st</sup></b>
<b>Raffle winner</b>	Taylor	

## **NURSERY**

What a lovely start to the New Year and new term in school. We welcomed three new children to our class and the children all got on well together.

We have all been busy practicing our listening skills and helping each other to settle back.

## **YEAR 1/2**

This half-term our topic is The Great Fire of London. We will be learning how to read and write newspaper reports about the fire using Samuel Pepys diary. We will compare buildings from 1066 to modern day London.

We hope to arrange a special visit from the local Fire Brigade too.

In maths Y1 will now begin to write simple calculations using addition and subtraction and Y2 will use multiples of tens for quick mental addition and subtraction.

## **Highlight of the week - Young Voices**

## **RECEPTION**

The children in Panda Class have had an excellent week, they have worked really hard and shown enthusiasm in all their work! This week we have been talking about winter and have been looking at the weather in winter and what clothes we need to wear to keep warm. We have produced some beautiful winter art work for our painting gallery.

## **YEAR 3/4**

This term Snow Leopard class will be learning all about the Rainforests of the world. We will be finding out about the people and animals which live there and if it is a suitable habitat to thrive. We will also be learning about the climate and weather of the different rainforests and the impact deforestation has on the planet and the creatures that live in the Rainforest. We will hopefully be going on a trip to the Sheffield Butterfly house where we will be able to learn first-hand about the animals and experience the humidity of the rainforests around the world.

## **YEAR 5/6**

Gorilla's class have been working really hard this week. We have begun our new topic, looking at Leisure and Entertainment in the 20th Century. We have started to read our class novel "The Outsiders" and are writing descriptions of 'Greasers'. Part of our topic is 20th century film trailers, so we have begun to code our own trailers - using scratch coding software. In maths, we have been working really hard on problem solving, answering difficult word problems. A great first week back - keep it up Gorillas!

## **SAFEGUARDING**

Our Designated Safeguarding Lead is Mrs D. Leach and our Safeguarding Officers are Mrs N Wright and Mrs D Richardson. If you have any concerns regarding the welfare of any child, please be aware that they are available to speak to in school.
