## Weekly Message

It's lovely to see you all back safe and sound after the holiday.

A worrying new internet game called the Momo challenge has been brought to my attention. I have attached some useful information relating to internet safety relating to this and other apps and websites your child might have access to. If you have any queries or concerns please don't hesitate to contact me.

## NURSERY

Nursery had a good week finishing their work on people who help us. The children enjoyed playing listening games and identifying sounds inside and out.

## RECEPTION

We had a busy last week before half-term. We talked about how to keep safe on the internet.

We had some new stories where the characters had problems keeping safe. The children had good ideas of how to help.

On Thursdays this half term we will be doing Forest Schools.

## YEAR 1/2

This half term we will be doing "Sky Try" with Featherstone Rovers every Monday, so we all need our P.E. kits.

We also have an exciting trip to the Thackray Medical Museum as part of our new topic on Florence Nightingale. Please visit our class page on the school website for more information.

## YEAR 3/4

We had our last forest schools session this week where we learned about problem solving and team building. We have loved taking part in forest schools and have learned lots of transferable skills.

We are equally looking forward to starting dance after the holidays on a Wednesday so please remember PE kits.

## YEAR 5/6

Before the holidays, Gorilla class had a trip to York Castle Museum. They had a fantastic time and behaved impeccably, learning all about our topic of entertainment before the internet. We were very good at guessing whether music was from the 1950s or 1960s! Check out the website for some pictures. We have also been working on internet safety, looking at the concepts of permission and consent. We've had a great start to the year – good to see you all back and raring to go for this half term!
