

ENGLISH

We will be reading 'Rooftoppers' by Katherine Rundell and using it as a theme to complete activities that will develop fiction writing, starting with character and setting description.

At the same time, we will be consolidating the children's knowledge of grammar and spelling rules from the whole of Key Stage 2.

In reading, we will continue to work on comprehension of both fiction and non-fiction texts.

GEOGRAPHY

We are returning to geography this half term. Year 6 will be comparing an area of Africa with our own local area. The children will be considering both human and physical geographical features.

Africa

What is different about Africa and where we live?

MATHS

In mathematics we will finish the work that we started at the end of last half term on angles before moving on to consolidate the children's learning in a range of aspects of the Key Stage 2 curriculum. For example, we will look again at fractions, decimals and percentages.

MUSIC

Music in the first half of the Summer term will be themed around 'You've Got A Friend' by Carole King

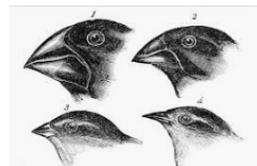

P.E.

We will be recapping skills in sports such as football, tennis and hockey. We will be working outside as much as possible.

SCIENCE

In science, we will be studying inheritance and evolution. This will include thinking about the characteristics that we inherit from our families, and how different species have adapted to the environment in which they live.

RELIGIOUS EDUCATION

In RE, the children will be thinking about, and exploring, how people draw on their faith to help them live through good times and through hard times.

DESIGN TECHNOLOGY

Following our Africa theme, we will be looking at different African fabrics before using their influence to weave pieces of our own.

COMPUTING

In the first half of the summer term, the children in Year 6 will be improving their understanding of computing by creating a text-based computer adventure game.

FRENCH

We will be learning vocabulary associated with furniture and using this to compose sentences which include prepositions.

PSHE

In PSHE, Year 6 will be considering what a healthy mind is, and why it is an important to your general health.
