

ENGLISH

We will be continuing to look at telling stories.

This half term we will be writing a finding tale based on the story of the Storm Whale.

The children will also be writing some non-fiction reports about looking after animals found in the sea.

ART

The children will design and make clothes to suit different weather types.

They will research their ideas and evaluate the finished product.

Geography

In Geography we will be looking at how the weather has changed and the effects on the environment. Children will write reports or make posters.

For example — water level rising and floods.

We will be comparing hot and cold countries.

Homework and Reading

Homework is given out every FRIDAY and should be returned on WEDNESDAY.

Please remember to read with your child as often as you can. Remember to sign their diary.

Year 1—SUMMER

WEATHER & SEASONS

TRIPS/EVENTS

We will be going on a picnic in the local area, looking at the plants and wildlife.

MATHS

In this term the children will be consolidating and learning about the number system.

We will be working on:

- Multiplication/Division
- Fractions
- Positional language
- Directional language

SCIENCE

The children will be looking at weather and seasonal changes.

We will be keeping a weather diary throughout the term.

PE

In PE we will be learning about games.

We will be building on our skills from throughout the year, working in teams.

Music

We will be learning how to play a range of musical instruments.

PSHE

The children will be working on the topic

'Health and Wellbeing

Areas we will focus on are:

Identify changes from birth to adulthood. Know that people do different things at different ages.

Focusing on a healthy lifestyle.
