School Budget

Our funding is in the worst state that it has ever been in and this year we have a shortfall of £70,000. The government claim to be spending more on education than ever before but if they are doing so it is certainly not finding its way into schools like ours!

This year we still intend to keep up our strategy of teaching your children in classes lower than the 35's, 36's and 37's that we are expected to teach but this means we have got to scrimp and save wherever we can. Therefore, we thank you for your support of events such as Easter Bingo last week.

Arrears (usually Owl Club and dinner money)

We need to save on administration costs and so any office time spent on chasing arrears will have to be recouped through a 50p "administration fee".

Owl Club

Must at least break even. In order to reduce paper and printing costs (each pack of paper costs £2.30) booking slips will no longer be sent home. Children must be met by 5.55pm so that the caretaker can lock up and leave the premises by 6pm. Any later means that overtime for the caretaker and the Owl Club staff has to be paid and this will be passed on with a late charge of £10 per 15 minutes.

School Equipment

This has to be cared for as we cannot afford to replace it. Purposefully damaged or lost items will have to be paid for.

Lost reading book = £3; lost planner = £4.

Damaged furniture or equipment will be charged according to the item (e.g. two children climbing on a urinal cost us £350 earlier this year).

Trespass

A number of children were seen playing on school grounds over the weekend. If identified by Bury Council Security Services who regularly patrol, a fine will be imposed by the Council.
