

Big Things

Summer Term 2019

We will explore different aspects of the topic each week.

During the term we will cover these themes:

First half of term

- The sea
- Growing
- Monsters
- The woods
- Big machines

Second half of term

- Giants
- The sun
- The beach
- Towers
- Size
- When I grow up
- Space
- Summer holidays

If you have any information or objects relating to any of these themes, we would be delighted for you to share them with us. As always, at the end of this term we will be sharing your child's learning journals with you, offering you an opportunity to look at your child's work and progress. Please do look on Class Dojo to see

photos of what the children have been doing in class each week. At the end of term we will also be going on a school trip to Rosemoor Gardens. If you have any further questions, please do pop in and speak to us at any time.
