

Baby Beluga

Baby Beluga in the deep blue sea,
Swim so wild and you swim so free.
Heaven above and the sea below
And a little white whale on the go.
 Baby Beluga, Baby Beluga,
 Is the water warm?
 Is your mama home, with you so hap-py?

Way down yonder where the dolphins play,
Where you dive and splash all day,
Waves roll in and waves roll out
See the water squirtin' out of your spout!
 Baby Beluga, Baby Beluga,
 Sing your little song,
 Sing with all your friends, we like to hear you!

Instrumental

When it's dark and you're home and fed,
Curl up snug in your water bed.
Moon is shining and the stars are out,
Goodnight little whale, goodnight.
 Baby Beluga,
 Baby Beluga,
 With tomorrow's sun
 Another day's begun, you'll soon be waking.

Baby Beluga in the deep blue sea,
Swim so wild and you swim so free.
Heaven above and the sea below
And a little white whale on the go.
And a little white whale on the go.

Barbeque Blues

Barbecue blues, barbecue blues,
I got the barbecue blues!
Monday night, went to a barbecue [x3]
And the rain came down.
 The rain down and
 drowned the burger buns [x3]
 I got the barbecue blues!

Tuesday night, frazzled the chicken legs
 The rain came down

Wednesday night, sat on the sausages
 The rain came down

Thursday night trod on a shish kebab,
 The rain came down

Friday night stamped on the barbecue
And the sun came out!
 The sun came out and
 dried the burger buns [x3]
 I got the barbecue blues!

Oh barbecue blues, barbecue blues,
I got the barbecue blues!

Octopus's Garden

I'd like to be under the sea
In an octopus's garden, in the shade
He'd let us in,
knows where we've been
In his octopus's garden, in the shade

I'd ask my friends to come and see
An octopus's garden with me
I'd like to be under the sea
In an octopus's garden, in the shade

We would be warm below the storm
In our little hideaway
beneath the waves
Resting our head on the sea bed
In an octopus's garden, near a cave

We would sing and dance around
Because we know we
can't be found
I'd like to be under the sea
In an octopus's garden, in the shade

We would shout and swim about
The coral that lies beneath the waves
Oh what joy for every girl and boy
Knowing they're happy
and they're safe

We would be so happy you and me
No one there to tell us what to do
I'd like to be under the sea
In an octopus's garden with you [x3]

Seagull

Seagull, oh seagull,
 please take me with you.
High over clifftops and
 oceans so blue,
watching the waves
 and the dolphins at play,
seagull, oh seagull,
 let's both fly away!

Soaring and gliding,
dipping and diving,
blown by the wind
we'll fly far out to sea.

Rising and falling,
swooping and calling,
blown by the wind,
oh how happy we'll be.

Seagull, oh seagull,
 please take me with you.
High over clifftops and
 oceans so blue,
watching the waves
 and the dolphins at play,
seagull, oh seagull,
 let's both fly away!

The Rock Pool

Oh we like to play
in the rock pool on the shore
Oh we like to play
in the rock pool on the shore
Well we've caught three crabs
but we'd like to catch one more!

It's a big rock pool
and there's room for everyone
It's a big rock pool
and there's room for everyone
Well the water's warm
and we're having lots of fun!

We've collected seaweed,
razor shells and sand.
We've collected seaweed,
razor shells and sand.
And a limpet I just
can't get off my hand!

Oh we'd better rush
or we'll never beat the tide,
oh we'd better rush
or we'll never beat the tide.
Now our bucket's full
and the rock pool's all inside!
