MUSIC

Festival

As a member of the PTFA you have supported the weekly class music sessions that your child has been taking part in each Wednesday with music specialist Liz Holland. The children have loved these sessions and have amazed us all with their voices. We certainly have pupils with beautiful voices who are gaining the confidence to share this.

In order to celebrate the pupil's achievements and to enable us to share the results of some of your fundraising for the school, we would like to hold our first Music Festival.

Date: Friday 14th June, 4pm to 6pm

The Plan: We would very much like to hold this event on the school field. However, in order to do this we would need support with projecting the sound on to the field. If anyone has any ideas, or can support how this can be achieved, please do contact the school with regards to this.

We would hope to have as many children attending as possible. The idea is that, as a family you will picnic on the field whilst listening to the musical delights performed by the children of the school. This is a free and informal event attached to the end of Dad's Day. Members of the PTFA will also be supporting this event with a bar from which you will be able to purchase drinks.

If we are unable to resolve a way to project the voices of the children, we will hold the singing in the school hall and picnic outside during the interval. This will still be special as the pupils all sound wonderful, but an outside event (weather permitting) would be our preference.

Every child will be involved in the music festival if they are able to attend. Therefore, before we progress any further with our plans we need to know which pupils will be able to come along on the day and take part.

Please could you complete the tear off slip below so that, in the first instance, we have this information to enable us to start planning. Thank you.
