

School Newsletter Spring 2019 No. 17

26th April 2019

Week 2 on the 'NEW' lunch menu

Next Week:

01.05.19 Year 4 swimming

Birthday greetings go to:

All of our pupils who have celebrated their birthdays this week. **Happy Birthday to you all.**

Quiz Night Success

We would like to thank and congratulate our fantastic School Association for all their efforts with fundraising for the school. The Easter wall made a profit of £227.05 and the bake sale raised £70.10. The quiz night was also a great event. Those who attended had a fun night of being quizzed and competing against each other. Well done to our Chair of Governors, Mr Johnston, and his team for being victorious with Mrs Sampson's team a close second—game on for next year! The event raised £127.17 and the School Association were really happy with the feedback. We are already looking forward to continuing these kinds of events and have begun preparations for the Summer Fayre! Thank you again to all those who have supported the School Association by making donations or attending the events themselves.

Places for Primary School Primary Admissions Offer - video

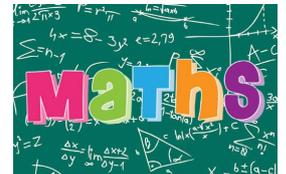

The Primary offer day was on 18 April (which fell during the school holiday). Schools have been asked to share a video link for parents who were not offered their 1st preference. A link to the video is below:

<http://bit.ly/2U8ZWOn>

We hope this will help you to better understand the post-offer process.

Parents Maths Course

Following on from the success of previous courses, we are excited to be able to offer a maths

course for our parents on Tuesday mornings from 9:45—11:45 in the school hall. These sessions will help you to better understand how to support your children with maths at home. We will be providing tea and coffee and look forward to welcoming you. If you are interested in a place, please book via Sims Pay.

New Walls Gone Up

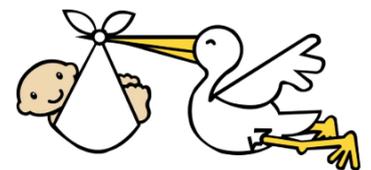

Whilst many of the children had visits from the Easter Bunny, the Easter builders visited during the Easter holidays! We were all very excited to see the changes and they were well received by Year 5 and 6. The builders did a really good job and it looks lovely. The children and teachers say that it is much quieter and has had a really positive impact on their learning. We look forward to sharing

our new rooms with you when you pop into school over the next few weeks.

Mrs Hammond

We are happy to announce that Mrs Hammond is

expecting her first baby in September and is due to start her maternity leave at the start of the new academic year. I am sure you will all join me in wishing Mrs Hammond and her family all the very best at this exciting time and we look forward to meeting the new addition to their family. Congratulations Mrs Hammond!

I can, You can, We can... Achieve.
