

Year 3 and 4 Homework Summer Term 2019

Write a film review of the Jungle Book to inform others about what to expect when watching this. It could also be a comparison with the older film produced in 1967.

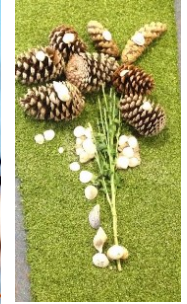

Build a shelter in your garden.

Will it keep you warm if it is cold? Will it keep you dry if it rains.

Take photos of your den and bring them into school to show everyone what you did.

Create a piece of art, using materials that you have found outdoors.

Find out about artists who use natural materials to make pieces of art.

Habitats

Find out about different animals and plants that can be found in local habitats. This could be a pond, garden, in the woods or at the beach. Visit the habitat and search for different plants and animals. Take photos or sketch what you find.

Produce an informative brochure about different jungles in the world. Include facts about—

- location
- size
- climate
- animals
- plants

Create an instrument, using materials that you have found outdoors.

The tasks are your choices for this half term. Please choose a different task to last term. Tasks completed must be handed in by 20.5.19

These can then be shared with your class teacher and class.

You are expected to read at least 3 or 4 times each week to an adult and get your book signed.

You are also expected to practise your number facts on a regular basis as well as your times tables.

Create a miniature garden
