Professional Development

We are excited to be hosting the first NPQH in the region, which is starting this term.

Candidates can start the qualification in either the Spring or Autumn term. The registration window for programmes starting in Autumn 2019 is now open.

English Hubs

The Arch English Hub

The Arch English Hub Showcase events have been very well attended with only 1 remaining. The English Hub Audit team have received their training and the first round of school audits have now commenced.

The Arch Alliance are excited to facilitate 'Primary Subject Knowledge Enhancement programme' which is a course designed by the National Centre for Excellence in the Teaching of Mathematics (NCETM). Sarah Harland, Hopwood Primary Deputy Headteacher, has worked with Maths HUB North West One to become a Primary Mastery Specialist and will be leading the programme.
