Dear Parent/Guardian

2019/20 Music Lessons at the Junior School

We have an absolutely fantastic music service, the Northamptonshire Music and Performing Arts Trust (NMPAT). As a school we use NMPAT to provide instrumental lessons for the children. Currently children are able to learn to play woodwind (flute or clarinet), piano or guitar, however, if there is sufficient interest in other instruments NMPAT can also provide a range of other lessons.

As there is a cost for these lessons, time needs to be booked in advance by the school and once booked we are committed for the year. If your child is already learning to play an instrument please return the form to indicate whether or not they wish to continue with lessons next year, or, if your child would like to learn to play an instrument and is not currently receiving lessons, please complete the form and return it to the school office **by Friday 17th May 2019** at the latest so that we can book appropriate lessons with NMPAT. **Lessons cannot be booked for your child unless the form is returned.**

The lessons are £73.70 for each 11 week period and you will be invoiced this cost three times in one academic year. Please note that once your child starts lessons you will be committing for the year to give your child a chance to really get to grips with the instrument. More details will follow once confirmed with NMPAT and a deposit payment will be required.

Yours sincerely
