

What did the Ancient Greeks ever do for us?

Your task this half term is to **create an Ancient Greek themed game that is linked to what we have learnt maths**. The Ancient Greeks were known for their amazing mathematical thinking. This game could be a board game, a card game or something completely different!

Please ensure your work is at school by **Thursday 23rd May**. You may bring it to school from **Monday 13th May**

Below is a list of optional tasks you may also want to complete linking to different areas of the curriculum.

- *Create a set of instructions for your game and an answer sheet.*
- *Use the idea of climate to include negative numbers in your game.*
- *Find out about a famous Greek mathematician and what they discovered.*
- *Write a short Greek Myth which the game is based on.*
- *Create exciting packaging.*
- *Include facts about Ancient Greece or even Ancient Greek script.*

Good Luck!
