---	--	---

This week:

We had an amazing week after our Easter holidays. We focused on Easter and talked about the events after Jesus' resurrection and the impact that the presence of the Risen Christ had upon the Apostles. In Maths, we practiced subtractions using different methods. On Wednesday, the whole school took part in the fabulous Easter bonnet parade. The children amazed us with their fantastic creations! On Thursday and Friday some children went on the residential trip to Youlbury and had a lovely time.

Next week:

Next week we will start our new Topic: The Land of Hope and Glory. In English, we will start focusing on the book "Flood" by Alvaro f. Villa. In Science, we will investigate states of matter. In Maths, we will practice multiplications using different methods.

Reminders:

The children need to bring their Maths practice books and reading folders every day to school.

For this week the sessions that the children need to complete are:

First Mental Arithmetic 6 (Turquoise): Section 3, session 10(page 40).

First Mental Arithmetic 5 (Pink): Section 3, session 8(page 36).

First Mental Arithmetic 4 (Purple): Section 3, session 10(page 38).

First Mental Arithmetic 3 (Orange): Section 2, session 6 (page 28-29)

Mental Arithmetic- Introductory Book (Gold) Section 2, test 1 (page 18).

The Year 3 team
