## Headteacher's Weekly Message

Dear Parents & Carers,

It has been so strange have two four day weeks but I think everyone has made the most of the good weather. We have enjoyed being back in school and the children are looking forward to having Golden Time this Friday after missing last week.

The Key Stage 2 tuck shop is doing really well. We are encouraging our children to avoid bringing snacks into school that have packaging on them. We want to be as green as possible so we try to provide a range of fruit each day such as plums, bananas, satsumas and the children do love pepper and cucumber too. We are discussing the possibility of selling natural fruit juices but we need to find a green way to do this but for the moment the fruit is doing really well and costs only 20p.

We also have a really enthusiastic group of children in Key Stage 1 who have formed their own 'Junk Squad' where they encourage children to put their litter in the bin and they try to keep the playground as free from litter as possible. It is great to have such good leaders in school.

The Y6 children are working extremely hard at the moment in preparation for their tests in the week beginning 13<sup>th</sup> May. We are really proud of them all.

I hope you have a good weekend and best wishes.

### Why is Attendance/ Punctuality so important

Number of minutes late every school day and days missed each year as a result

Our attendance figure for the last half term was 96.8%

Well done and thank you to all our attending children and their parents.

Attendance is really important to help ensure your child has the best education possible. Please help support your child by avoiding taking them out of school for appointments or holidays.

## SCHOOL JOTTER APP

We have been experiencing some technical difficulties with our School Jotter app, meaning you may not be receiving our notifications or daily bulletins. We are attempting to get it back up and running as soon as possible, and appreciate your patience.

In the mean time, to avoid missing any information, you can visit our School Website to view the daily bulletin and other upcoming information.

As a short term fix, you can delete and re-download the app onto your phone/tablet, and it should restore itself.
