

Year 4 Homework Summer Term

This term we would like you to choose 4 of the following options for your homework.
Your homework must be returned to school by.

Make a model boat from any materials you choose. Your boat must be strong enough to carry an apple and still float. We will check in class.

Find the lengths of the world's five longest rivers and heights of the five tallest mountains. Write the lengths in order from shortest to longest and heights from shortest to tallest. You could present your information on a bar graph.

Many creatures depend on our water ways for their survival. Choose 3 creatures and create a fact sheet about them.

Create a mountains leaflet. Try to answer these key questions:

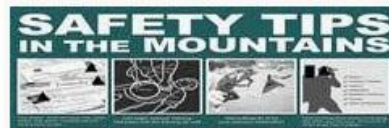

What is a mountain?

What makes it different to a hill?

What are the 5 basic types of mountains?

Create a poster about safety in or around rivers and mountains.

Create a collage of a river using a selection of papers from magazines, newspapers, wrappers and scraps etc that are water shades.
