26<sup>th</sup> April 2019

Dear Parents and carers,

We are delighted to share with you the outcome letter from our recent Ofsted inspection, which took place on Tuesday 19th March 2019.

We are extremely pleased to say that we have maintained our status as a **GOOD** school, which is a fantastic achievement when considering the more stringent requirements of the inspection framework in recent years.

Highlights of the report include the following positive comments by the inspector:

"Teachers and support staff have high expectations and the pupils respond positively to this in their responses and recorded work."

"Pupils are also very proud of their school and enjoy lessons."

"One pupil, when referring to the school's five-star value system, commented. 'We are a five-star school, but I'd give it six stars as it's so good.'"

"There is a strong culture of safeguarding at the school."

This report is vindication of the incredible hard work and commitment of all the staff, the hard work and behaviour of our pupils and the support of you as parents and carers. We were very pleased that the Ofsted inspector agreed with our school improvement priorities and identified the high hopes we have for the school: "Your strong and caring leadership, ably supported by the proactive governing body and dynamic senior leadership team, has created a culture of high expectations and aspirations for the pupils and the school community."

We thank everyone who supported the school through the inspection including the dedicated work of the governing board and the parents who completed the online questionnaire and spoke in person to the inspector.

As a school we are not complacent. The report includes some recommendations on how we can further strengthen our provision. We continually aim to improve and ensure the best outcomes for all our pupils and will be reviewing and implementing these recommendations as soon as possible.

*Learning at the heart of everything we do*

As a school community, we should be very proud this achievement and we look forward to working together to provide your children with the best education we possibly can to make the school an even better place for your children to attend.

Thank you for your continued support.

Kindest regards,
