1. Aims

The aims of our first aid policy are to:

- Ensure the health and safety of all staff, pupils and visitors
- Ensure that staff and governors are aware of their responsibilities with regards to health and safety
- Provide a framework for responding to an incident and recording and reporting the outcomes

2. Legislation and guidance

This policy is based on advice from the Department for Education on [First Aid in Schools](#) and [Health and Safety in schools](#), and the following legislation:

- [The Health and Safety \(First Aid\) Regulations 1981](#), which state that employers must provide adequate and appropriate equipment and facilities to enable first aid to be administered to employees, and qualified first aid personnel
- [The Management of Health and Safety at Work Regulations 1992](#), which require employers to make an assessment of the risks to the health and safety of their employees
- [The Management of Health and Safety at Work Regulations 1999](#), which require employers to carry out risk assessments, make arrangements to implement necessary measures, and arrange for appropriate information and training
- [The Reporting of Injuries, Diseases and Dangerous Occurrences Regulations \(RIDDOR\) 2013](#), which state that some accidents must be reported to the Health and Safety Executive (HSE), and set out the timeframe for this and how long records of such accidents must be kept
- [Social Security \(Claims and Payments\) Regulations 1979](#), which set out rules on the retention of accident records

3. Roles and Responsibilities

3.1 Appointed person(s) and First Aiders

The school's Appointed Person is M Deller. They are responsible for:

First Aiders are trained and qualified to carry out the role (see Section 7) and are responsible for:

- Acting as first responders to any incidents; they will assess the situation where there is an injured or ill person, and provide immediate and appropriate treatment
- Sending pupils home to recover, where necessary with authorisation from the Head of School or designate
- Filling in an Accident Report on the same day, or as soon as is reasonably practicable, after an incident
- Keeping their contact details up to date

Our school's appointed person and First Aiders are listed in the school office. Their names will also be displayed prominently around the school.

3.2 The Local Authority and Governing Body

East Riding of Yorkshire Council has ultimate responsibility for Health and Safety matters in the school, but delegates responsibility for the strategic management of such matters to the school's Governing Body.

The Governing Body delegates operational matters and day-to-day tasks to the Head of School and staff members.

3.4 The Head of School
