

## Governor Profile

Barbara Potter

Chair of Governors

I am from Lancashire and after attending college in Huddersfield my first profession was as a Catering Manager in the NHS. When the opportunity arose my husband and I went to work aboard and lived in Brunei, Holland, Gabon, Oman and Nigeria.

After twenty years as an expatriate I retrained to be a teacher and did a PGCE at Bradford College. I came to Victoria Primary School in 2002 as an NQT working for most of my career in Nursery. I continued to attend evening classes and completed a Master of Education degree in 2008.

In 2013 I became the Staff Governor and stayed on the Local Governing Body after my retirement in 2016.

I am involved with the school in several ways that keep me in touch with the school community, the pupils and their families. This involves driving a mini bus for educational trips and attending the Christmas Fayre, Summer Fayre and well as attending end of year class performances.
