

Monday 29<sup>th</sup> April 2019

Dear Parents/Carers,

In Term 6, Week 1 (the first week after May half term holiday) the whole school will be taking part in a week-long arts event. The focus of this week will be to celebrate a range of cultures and religions to promote diversity and appreciate those who may live differently to ourselves. We will be teaching children about diversity, equality and inclusion through a variety of arts including music, singing, drama and dance.

In order to offer children exposure to a number of different experiences and cultures, we are asking for parental support. If you feel you could help, please let either myself or the school office know. For example, you may have a particular art based skill, you could share something cultural or just feel you'd like to contribute something in this area.

Thank you for your continued support.

Kind regards,

Miss Holding
